... About

Wouldn't it be great to be able to spend your free time doing the things you enjoy? Well our "Spoilt 4 Choice" centre offers you just that, a range of activities to suit whatever mood you are in. We've also included a snoezelen room which is sure to keep you stimulated.

We designed our services using feedback from our customers, so if there's anything you want us to add in, just ask! We're opening early in 2013 and we hope you are as excited about it as we are!
